

 答案册 • LF-P5-S1-L04\_area\_of\_trapezoidal\_polygon

✅ 自動解答：9/37 (24%) | ⚠️ 需手動：28 題 | 原講義：LF-P5-S1-L04\_area\_of\_trapezoidal\_polygon.html

| #  | 題目                                                                                                                    | 答案    | 類型     |
|----|-----------------------------------------------------------------------------------------------------------------------|-------|--------|
| 1  | The parallelogram has a base of 8 cm and a height of 5 cm. Area = ?                                                   | _____ | manual |
| 2  | Triangular base 10 cm, height 6 cm. Area = ?                                                                          | _____ | manual |
| 3  | The rectangle is 12 cm long and 7 cm wide. Area = ?                                                                   | _____ | manual |
| 4  | The area of a parallelogram is 48 cm <sup>2</sup> and its base is 8 cm. High = ?                                      | _____ | manual |
| 5  | The area of the triangle in the figure below = ? hb                                                                   | _____ | manual |
| 6  | The upper base of the trapezoid is 6 cm, the lower base is 10 cm, and the height                                      | _____ | manual |
| 7  | The upper base of the trapezoid is 5 cm, the lower base is 8 cm, and the height                                       | _____ | manual |
| 8  | The upper base of the trapezoid is 9 cm, the lower base is 11 cm, and the height                                      | _____ | manual |
| 9  | The L-shaped pattern can be divided into two rectangles: A (8×3 cm) and B (5×4 c                                      | 24    | auto   |
| 10 | Take a large rectangle of 15 cm × 10 cm and cut out a small rectangle of 7 cm ×                                       | _____ | manual |
| 11 | The trapezoid has an area of 56 cm <sup>2</sup> , a height of 7 cm, and a top and bottom of                           | _____ | manual |
| 12 | Trapezoidal upper base + lower base = 18 cm, height = 5 cm. Area = ?(You don' t n                                     | _____ | manual |
| 13 | The area of the combined shape (left rectangle + right rectangle) in the figur                                        | _____ | manual |
| 14 | The picture below shows a triangle added to a rectangle. The total area = ? lwhb                                      | _____ | manual |
| 15 | The trapezoid has an area of 96 cm <sup>2</sup> , a lower base of 14 cm, and an upper base                            | _____ | manual |
| 16 | The upper base of a trapezoid is half the lower base. Bottom 12 cm, height 5 cm.                                      | 6     | auto   |
| 17 | The upper base of the isosceles trapezoid in the picture on the right is 4 cm, t                                      | _____ | manual |
| 18 | Combined graphics: A large rectangle of 15×10 cm can be made up, minus a 5×4 cm                                       | 150   | auto   |
| 19 | h=9b <sub>2</sub> b <sub>1</sub> The trapezoid has an area of 108 cm <sup>2</sup> , a height of 9 cm, and the upper b | 0.22  | auto   |
| 20 | dig awayConcave glyph area = ? The outer frame is 20 cm × 12 cm, and the middle                                       | _____ | manual |
| 21 | The upper base of the trapezoidal garden bed is 4 m, the lower base is 8 m, and                                       | _____ | manual |
| 22 | A trapezoidal wall has an upper base of 3 m, a lower base of 7 m, and a height o                                      | _____ | manual |
| 23 | An L-shaped living room that can be divided into two rectangles: 6 m × 4 m and 3                                      | _____ | manual |
| 24 | The terraced field is 20 m above ground, 30 m below ground, and 15 m high. Four                                       | _____ | manual |
| 25 | hb <sub>2</sub> b <sub>1</sub> lwA polygonal square = trapezoid + rectangle. Trapezoid: upper base 5 m, lo            | _____ | manual |

|    |                                                                                                                                   |     |        |
|----|-----------------------------------------------------------------------------------------------------------------------------------|-----|--------|
| 26 | An irregular piece of land, with a $4\text{ m} \times 3\text{ m}$ parking space dug out from a $15\text{ m} \times$               | —   | manual |
| △1 | $h=8\text{ cm}$ , $b_1$ Trapezoidal area $120\text{ cm}^2$ , height $8\text{ cm}$ . The upper base is $6\text{ cm}$ less than $t$ | 4   | auto   |
| △2 | A pentagon can be divided into three parts: triangle (base $10$ , height $4$ ) + recta                                            | 60  | auto   |
| △3 | A trapezoid has the upper base twice as high as the lower base and the height as                                                  | 6   | auto   |
| H1 | The upper base of the trapezoid is $7\text{ cm}$ , the lower base is $13\text{ cm}$ , and the height                              | —   | manual |
| H2 | The upper base of the trapezoid is $4\text{ cm}$ , the lower base is $10\text{ cm}$ , and the height                              | —   | manual |
| H3 | The upper base of the trapezoid is $8\text{ cm}$ , the lower base is $12\text{ cm}$ , and the height                              | —   | manual |
| H4 | The L shape can be divided into two rectangles of $9 \times 3\text{ cm}$ and $6 \times 5\text{ cm}$ . Total area                  | 27  | auto   |
| H5 | Large rectangle $14 \times 10\text{ cm}$ , cut out $6 \times 4\text{ cm}$ . Remaining area = ?                                    | 140 | auto   |
| H6 | The area of the trapezoid is $63\text{ cm}^2$ , upper base + lower base = $18\text{ cm}$ . High = ?                               | —   | manual |
| H7 | The upper base of the trapezoid is 3 times the lower base, which is $5\text{ cm}$ and the                                         | —   | manual |
| H8 | The trapezoid has an area of $90\text{ cm}^2$ , a height of $6\text{ cm}$ , and the lower base is $t$                             | —   | manual |
